Max the Ancient Skull comes to Atlanta!! April 3rd, 4th & 5th

MAX is over 5,000 years old and one of only 15 to 20 Ancient Crystal Skulls known to exist in the world! These ancient crystal skulls hold the secrets from Atlantis - they are the computers of the past. This wisdom is being re-awakened for 2012, to propel our world towards unity, peace, and love. Max is a skull of Peace and Healing. Sign-up for a private session with Max and hear Mrs. Parks tell the story of Max in her lecture. Space limited - Call today or visit the website for more info!

When you are in the presence of an Ancient Crystal Skull, it can see your etheric body, know who you are, impart its wisdom to you, and help you find your answers! You can meditate with Max; ask questions; connect with his wisdom; and connect with your own higher self.
